

**IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF TEXAS
FORT WORTH DIVISION**

ELIGAH DARNELL JR.,	§	
Petitioner,	§	
v.		§
	§	Civil Action No. 4:08-CV-363-A
DEE ANDERSON, Sheriff,	§	
Tarrant County, Texas,	§	
Respondent.	§	

**FINDINGS, CONCLUSIONS AND RECOMMENDATIONS
OF THE UNITED STATES MAGISTRATE JUDGE
AND NOTICE AND ORDER**

This cause of action was referred to the United States Magistrate Judge pursuant to the provisions of 28 U. S.C. § 636(b), as implemented by an order of the United States District Court for the Northern District of Texas. The Findings, Conclusions and Recommendations of the United States Magistrate Judge are as follows:

I. FINDINGS AND CONCLUSIONS

A. NATURE OF THE CASE

This is a petition for writ of habeas corpus by a state prisoner pursuant to 28 U.S.C. § 2254.

B. PARTIES

Petitioner Eligah Darnell Jr., CID #0279245, is currently incarcerated in the Tarrant County jail in Fort Worth, Texas.

Respondent Dee Anderson is the Sheriff of Tarrant County, Texas.

C. PROCEDURAL HISTORY

In March 1989, Darnell pled guilty to burglary of a habitation with intent to commit theft in the Criminal District Court Number 2 of Tarrant County, Texas. (Petition at 2) Darnell sought post-conviction relief challenging his state conviction, including two previous federal petitions for writ

of habeas corpus. The first federal petition was dismissed on limitations grounds, and the second was dismissed as successive.¹ See *Darnell v. Johnson*, CM/ECF, Civil Docket for Case # 4:00-CV-1486-Y & 4 & 4:05-CV-394. This petition was filed on June 2, 2008. No service has issued upon Respondent.

D. SUCCESSIVE PETITION

Rule 4 of the Rules Governing Section 2254 Cases in the United States District Courts and 28 U.S.C. § 2243 both authorize a habeas corpus petition to be summarily dismissed.² The Court of Appeals for the Fifth Circuit recognizes the district courts' authority under Rule 4 to examine and dismiss frivolous habeas petitions prior to any answer or other pleading by the state. *Kiser v. Johnson*, 163 F.3d 326, 328 (5th Cir. 1999). Because Darnell is challenging the same 1989 state court conviction and sentence that he challenged in two previous § 2254 petitions, it is apparent from the face of the instant petition and court records of which this court can take judicial notice,

¹Darnell has filed numerous petitions for habeas corpus relief under 28 U.S.C. § 2254 in this court challenging his various state convictions.

²Section 2243, governing applications for writ of habeas corpus, provides:

A court, justice or judge entertaining an application for a writ of habeas corpus shall forthwith award the writ or issue an order directing the respondent to show cause why the writ should not be granted, *unless it appears from the application that the applicant or person is not entitled thereto.*

28 U.S.C. § 2243 (emphasis added).

Rule 4 of the Rules Governing Section 2254 Cases provides:

The original petition shall be promptly presented to a judge of the district court in accordance with the procedure of the court for the assignment of its business. The petition shall be examined promptly by the judge to whom it is assigned. *If it plainly appears from the face of the petition and any exhibits annexed to it that the petitioner is not entitled to relief in the district court, the judge shall make an order for its summary dismissal and cause the petitioner to be notified.*

Rules Governing Section 2254 Cases, Rule 4 (emphasis added).

that this is a successive petition for purposes of § 2244(b). *See Burton v. Stewart*, 127 S. Ct. 793, 796-99 (2007).

28 U.S.C. § 2244(b) requires dismissal of a second or successive petition filed by a state prisoner under § 2254 unless specified conditions are met. 28 U.S.C. § 2244(b)(1)-(2).³ The fact that an earlier petition(s) were dismissed on procedural grounds does not remove this petition from the stringent requirements of § 2244(b). *See Hooker v. Sivley*, 187 F.3d 680, 682 (5th Cir. 1999); *Anders v. Cockrell*, No. 03:02-CV-2513-N, 2003 WL 102615, at *2 (N.D. Tex. Jan. 8, 2003) (not designated for publication); *Somerville v. Cockrell*, No. 3:02-CV-0380-L, 2002 WL 31441226, at *2 (N.D. Tex. Oct. 29, 2002) (not designated for publication). Further, before such a petition is filed in federal district court, the petitioner must move for authorization to file the petition in the appropriate court of appeals. *Id.* § 2244(b)(3); *In re Johnson*, 322 F.3d 881, 882 (5th Cir. 2003). Darnell has not shown he has requested and obtained leave to file a successive petition from the Fifth Circuit Court of Appeals, thus this court is without jurisdiction to consider the petition. *United States v. Orozco-Ramirez*, 211 F.3d 862, 867 (5th Cir. 2000).

II. RECOMMENDATION

It is recommended that Darnell's petition be dismissed pursuant to 28 U.S.C. § 2244(b)(1).

³Specifically, 28 U.S.C. § 2244(b) provides that a claim presented in a second or successive habeas corpus application under § 2254 that was not presented in a prior application shall be dismissed unless—

- (A) the applicant shows that the claim relies on a new rule of constitutional law, made retroactive to cases on collateral review by the Supreme Court, that was previously unavailable; or
 - (B)(I) the factual predicate for the claim could not have been discovered previously through the exercise of due diligence; and
 - (ii) the facts underlying the claim, if proven and viewed in light of the evidence as a whole, would be sufficient to establish by clear and convincing evidence that, but for constitutional error, no reasonable factfinder would have found the applicant guilty of the underlying offense.

III. NOTICE OF RIGHT TO OBJECT TO PROPOSED FINDINGS, CONCLUSIONS AND RECOMMENDATIONS AND CONSEQUENCES OF FAILURE TO OBJECT

Under 28 U.S.C. § 636(b)(1), each party to this action has the right to serve and file specific written objections in the United States District Court to the United States Magistrate Judge's proposed findings, conclusions, and recommendation within ten (10) days after the party has been served with a copy of this document. The court is extending the deadline within which to file specific written objections to the United States Magistrate Judge's proposed findings, conclusions, and recommendation until June 30, 2008. The United States District Judge need only make a *de novo* determination of those portions of the United States Magistrate Judge's proposed findings, conclusions, and recommendation to which specific objection is timely made. *See* 28 U.S.C. § 636(B)(1). Failure to file by the date stated above a specific written objection to a proposed factual finding or legal conclusion will bar a party, except upon grounds of plain error or manifest injustice, from attacking on appeal any such proposed factual finding or legal conclusion accepted by the United States District Judge. *See Douglass v. United Servs. Auto. Ass'n*, 79 F.3d 1415, 1428-29 (5th Cir. 1996) (en banc op. on reh'g); *Carter v. Collins*, 918 F.2d 1198, 1203 (5th Cir. 1990).

IV. ORDER

Under 28 U.S.C. § 636, it is ORDERED that each party is granted until June 30, 2008, to serve and file written objections to the United States Magistrate Judge's proposed findings, conclusions, and recommendation. It is further ORDERED that if objections are filed and the opposing party chooses to file a response, a response shall be filed within seven (7) days of the filing date of the objections.

It is further ORDERED that the above-styled and numbered action, previously referred to the United States Magistrate Judge for findings, conclusions, and recommendation, be and hereby is returned to the docket of the United States District Judge.

SIGNED June 10, 2008.
